

## Sport Funding Impact Review 2015 - 2016

In order to gain valuable insight into how the funding has had an impact at Middlewich Primary, it was decided that all classes would complete a simple questionnaire to identify the number of children who have attended a sporting themed club this year and their views of P.E.

All classes were asked the following questions and answers were recorded by the class teacher.

Class \_\_\_\_\_ Number of children \_\_\_\_\_

1 - How many children have attended an after school sport club? \_\_\_\_\_

*e.g football, cricket, archery, Multiflex, judo*

2 - How many have represented the school in a team sport this year? (Key Stage 2) \_\_\_\_\_

*e.g cross country, football, hockey, athletics, swimming rounders, cricket*

3 - How many children have had the opportunity to try a new sporting activity this year? \_\_\_\_\_

*e.g archery, tag rugby, residential activities (Y4 & 6) skiing (Y6) as well as activities at MHS Festivals.*

**Green** shows increase compared with same questionnaire last year.
