Monday 13th December 2021

Dear Parents and Carers,

As you may be aware, this term our year six pupils have been working extremely hard on their Dragons' Den project in their DT lessons. The PTA have generously invested money to allow the children to create high quality products to be sold for a profit. Usually, these products are sold at the Christmas Fair and the profit is used for a class treat. Unfortunately, due to COVID-19 restrictions, our pupils have been unable to sell their products in this way. Instead, they will sell their products by distributing their catalogue of products and taking orders via the school office.

Please do have a look at the catalogue of products attached with this letter and complete the order form (on the back page) should you wish to purchase any of these products. These items also feature on our class pages on the school website to enable family and friends to view the variety of products available.

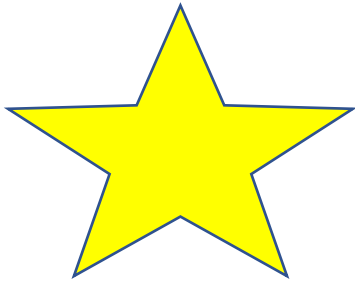

Over the next week, the year six pupils will be given time to sort through the orders and distribute their products to the children who have placed an order. Please be aware that the products will be sold on a first-come, first-served basis and the last orders will be taken on Wednesday 15th December.

Thank you for your continued support.

Yours sincerely,

Miss Worden and Miss Daltrey

Year 6 teachers
