Wednesday 31st January 2024

Dear Parents/Carers,

We are very excited to be launching the new and improved **Middlewich Primary School Personal Development Awards**. Whilst the children's academic success is incredibly important to us, our aim is to help shape your children into well-rounded citizens of the world.

The Personal Development Awards will involve children completing a selection of activities linked to six key areas: cooking, community, domestic, first aid, performance, and sport, with the aim of reaching bronze, silver or gold status.

All children will complete six of the activities in school, led by their teachers, which will enable them all to achieve the bronze award. If children complete a further six activities from their year group sheet, then they will achieve the silver award. If they complete all of the activities from their sheet, then they will receive the gold award.

Your child will be bringing home their Personal Development Award record sheet today alongside their own Personal Development Award book. The children can use the book to record and share the tasks they have completed. They could include photographs, drawings or writing about the different tasks they completed as evidence. If you could sign and date any of the tasks that they complete at home then this would be greatly appreciated.

We thank you for your support in both encouraging and monitoring your child's involvement and look forward to seeing all that they achieve.

Yours sincerely,

Miss Tosh
