

Our school goal 2023-2024

*Working together to
achieve the very best*

We aim to achieve
100% on green!

How do we achieve 100% on green?

- ❖ In every key stage, every child stays on green!
(EYFS, KSI, KS2)
- ❖ In every year group, every child stays on green!
- ❖ In every class, every child stays on green!

That means **YOU** have to stay on green!

We have to work as a team to
achieve this

- ❖ Everyone works together to achieve one goal.
- ❖ Everyone shows kindness and consideration towards one another.
- ❖ Everyone is respectful of each other.
- ❖ Everyone is supportive of one another.

'There is no I in team'

What can YOU do to help your class team stay on green?

- ❖ Be a good role model yourself.
- ❖ Give a quiet reminder in the lesson to a friend.
- ❖ Find a better way to solve a problem at playtimes than getting into arguments.
- ❖ Remind your friend how to behave around school.

Kindness is infectious. Treat others as you would like to be treated yourself.
