Dear Parents and Carers,

Maths Information and Drop-in Morning

We would like to invite all parents and carers to our upcoming maths information and drop-in morning.

The session will begin with an information presentation in the main hall. During this time, you will learn about our maths curriculum and teaching methods. This will be followed by the opportunity to visit the classrooms and observe maths lessons in action. The morning is designed to provide you with an insight into how maths is taught and how you can best support your child's mathematical learning.
