## Governors' Allowances Policy

The governing board has decided to pay reasonable allowances from the school's delegated budget to cover any costs that board members incur through carrying out their duties.

This policy sets out the terms on which such allowances will be paid.

The [Governance Handbook](#) (section 4.7.1, paragraph 73) says that boards in maintained schools with a delegated budget can choose whether or not to pay allowances to board members. Where they choose to do so, it must be in accordance with a policy or scheme.

The legislation on governors' allowances is set out in the [the School Governance \(Roles, Procedures and Allowances\) \(England\) Regulations 2013, part 6](#).

Members of the governing board may claim allowances to cover expenditure necessary to enable them to perform their duties.

This does **not** include an attendance allowance, or payment to cover loss of earnings.

Members of the governing board may claim for:

- Childcare
- Care for elderly or dependent relatives
- Extra costs incurred because they have a special need or English as a second language
- Travel and subsistence costs
- Telephone charges, photocopying, postage, stationery, etc.
- Other justifiable allowances

Members of the governing board may claim allowances by completing a claim form and submitting it to the School Business Manager.

Governors wishing to make claims under these arrangements, once prior approval has been sought, should complete a claims form (obtainable from the school office), attaching receipts where possible, and return it to the school within two weeks of the date when the allowances were incurred. The claim form will be submitted to the Safeguarding, Finance & Staffing Committee for approval at their next meeting. (The S, F & S Committee meet at least once per term.)

Claims will be paid in arrears on a case-by-case basis. Reimbursable costs should be agreed in principle by the Chair of the Safeguarding, Finance & Staffing Committee **before** they are incurred.

The chair of governors (or the vice-chair, where appropriate) may investigate claims that appear excessive or inconsistent. All claims will be subject to an independent audit.

Travel expenses where a governor uses their own vehicle must not exceed the HM Revenue and Customs (HMRC) approved mileage rates (see appendix 2)
