Monday 3rd February 2025

Dear Parents/Carers,

We hope that your children enjoyed completing their personal development award challenges last year. It was great to see so many children get involved with the challenges and share their accomplishments through their own scrap books.

Today we have launched the personal development award for this school year. Bronze award challenges are completed in school time and challenges for the silver and gold award are to be completed outside of school. For your child to receive a gold or silver award they will need their personal development books to be returned to school by **Friday 5th July**.

If children have books from last year please could they bring them to school so new challenges can continue to be added to them.

We thank you for your support in both encouraging and monitoring your child's involvement and look forward to seeing all that they achieve.

Yours sincerely,

Miss Tosh
